"How did you like your father in his uniform?" the colonel asked his small

OH, GIVE ME, LOVE, VARIETY.

The wheel is turning slow and sure, The wheel is turning true; The hatchet and the cherry tree The winds of March are coming on, Foretelling April showers;
The month of May,
I dare to say,
Will bring its balmy hours.

Variety, Variety, Oh, give ne, Love, variety. Variety, Variety, Which is the spice of life In all the months and all the days There's nothing, nothing new. At stated times we find that we Have stated things to do.

And Love alone is free from rule,
And Love, with visions fair,
My guide shall be

To rescue me From depths of dark despair. Variety. Variety,
Oh, give me. Love, variety.
Variety,
Variety,

## CAPITAL SIDELIGHTS

STORIES OF PEOPLE AND THINGS BY ONE WHO KNOWS.

"before-the-war" days has often to take made such an impression

signed his trade of measuring and laying carpets to accept his present position. Unhappily, he is placed in a room where many representatives of the old families work for their daily bread, and, having had but little intercourse with the class they represent, he has succeeded by smartness and high-handed methods in making himself very obnoxious to his fellow-laborers, who covertly rejoice when confusion overtakes him.

railroad and steamship building. He is working in the garden. One day a youngster promoted from a carpet shop, to know farming from its practical side. fashionably dressed woman, who had and he goes about quite satisfied, and blindly tries to adjust the world according to his own standard. The other day he entered the elevator with two or three woman clerks, and as many men, one of them the son of a noted old family and a real Col. Newcome in his gentle dissition, breeding, and perennial courtesy. But he is an old gentleman with rheu-matic elbows and knees to remind him of the fact, and since the slightest physical exertion has become a labor and discomfort, he no longer removes his hat in the elevator, even though ladies are present. This offense against what the former layer of carpets regards as "good form" was promptly noticed by that worthy on bowing very low, "but I signed up was promptly noticed by that worthy on the day in question, and, reaching across the lower the day in the day in the lower than the day in the lower than the lower tha the lady standing next to him, he jogged the delinquent's elbow, saying: "Ladies present. Hats off, colonel."

The colonel glared savagely at his you, the visit of that embassy, and ever prompter, but took no further notice. since I sat at the famous banquet given

"Ladies present. Hats on, I say, concerning the cried out in a sharp voice.

The colonel glared again, and then deliberately turned his back on the excarpet layer, who finally reached over, with a malicious grin, and, with what he intended to be a playful manner, raised intended to be a playful manner, raised speeches of our most noted men-scates-men, scholars, philosophers, poets—I have had a warm place in my heart for Chinamen, who are as loyal in their friendships as they are square and honest in their business affairs." intended to be a playful manner raised the old gentleman's derby from his head, whereupon the colonel turned sharply

In his vocabulary strong enough—"you dare to attempt to teach me manners!

Why, even the general couldn't do that in whose household was a hig and beauting the station, and once, on a long cruise, he visited Tangiers, where he was a frequent guest of the American consul, in whose household was a hig and beauting the station. Port Jervis, N. Y., Feb. 29.—A store of honey lured a big bear to its death last night at Greely, Pike County, Pa. with impunity, sir. And you you you—' Words failed him, and, giving a contemptuous glance at the officious creature he strode out of the almost and him had been the description of the admiral, who, as are all him and him had been the strode out of the almost and him had been the strode out of the almost and him had been the strode out of the almost and him had been to the admiral whose household was a big and beautiful tortoise-shell cat, which was greatly admired by the admiral, who, as are all him had been the strode out of the almost and him had been the strong and him had been the almost and him had been the strong and him had been

cusable—inexcusable at least in the pres-ence of ladies—conduct of this morning:

ing the colonel's slender, old hand in her aboard. strong, young one, said: "Please don't beg my pardon, colonel. I have been rejoicing over the incident ever since it happened, and I wish there were more men like you, who would now and then give the same wholesome medicine to

"When I first came to Washington," said Mrs. Garfield at one of her recepthe ship and his guest. They had many until I came to think they must have in the morning by springing on his bunk, been the most mischievous boys ever where he remained while his friend made

A. B. Lewis, in Judge.

The ticket man at the theater had just opened up for business when a fellow of her callers, who had been a neighbor hurried into the lobby and passed a cigar of the Garfields when they lived on the corner of Thirteenth and I streets, "but I can remember when they were the terror of the neighborhood, not that they are of the neighborhood, not that they they were up the object with becoming dignity.

One day, in the midst of a furious theory of the cry of th to every boyish prank gnown to the juve-nile masculine mind. Their eyes shown "For past favors," was the reply-Those were excellent seats you gave me with mischief and their cheeks glowed with health, and it was a sight, I can tell you, to see them coasting 'belly-bus-ter' down Thirteenth street hill."

"I went to school with them," chimed in a matron whose hair is beginning to show gray at the temples, "at a kindergarten in K street, kept by a dear old German lady, who was an enthusiastic follower of Frobel, with whom she had at one time studied. Play she thought proper and wholesome, but she had never met among the white-faced youth of her own country such vigorous play as 'these bad Garfield boys' indulged in. They were sehr lustig, and she thought and said that if all the energy they possessed was turned in the right direction they would eventually become 'beruhmt.'

And they have, indeed, fulfilled the prophecy of their old teacher, "Jimmie" lding one of the most important portfolios in the Cabinet and "Harry," who was the more mischievous of the two, formerly a staid professor at Princeton, and now President of Williams College. her father's secretary, J. Stanley-Brown, and is now mistress of a large estate on Long Island, a model place, with the most attractive of houses set in charming surroundings. Here Mr. and Mrs. Stanley-Brown are bringing up their children, who have as much pride in their farming as they do in their books. Mrs. farming as they do in their books. Shis Garfield, the widow of President Garfield and mother of "those bad Garfield boys," passes the greater part of her time in stopped by the Cerebus who guarded them stopped by the Cerebus who guarded them she finds more congenial than that of

The modern emperor should know everything. That is the theory on which the
heir to the throne of Germany is being tocrat of the old regime and an upstart and America, for John Chinaman had no of to-day that deserves to be remembered, greater admirer or warmer friend than In one of the departments there is a the doctor-poet. They read, as I remem-

follows:

Open wide, ye gates of gold.

To the Dragou's banner-fold!
Builders of the mighty wall,
Bid your mighty barriers fall!
So may the girdle of the sun
Bind the East and West in one,
Till Nevada's breezes fan
Till snowy peaks of Ta-Sieue-ShanTill Erie blends its waters blue
With the waves of Tung-Ting-HuTill Missouri lends its flow
To swell the rushing Hoang-Ho!
Offiver Wendell Holmes was not

"But Oliver Wendell Holmes was not the first to write poetry about our brothers on the other side of the earth. Milton caused Satan to descend in his flight

"—on the barren plains Of Sericana, where Chinese drive, With sails and wind their canny wagons light. "But to return to our banquet and the Mr. Burlingame's associates be remembered as having taken a prominent part in the early development of China, but these gentlemen were handi-capped by their ignorance of our language, and they had to depend upon the interpreter to put all their handsome speeches into plain English for them. I remember the interpreter well. His name was Teh Loa-yeh, and I took it that he was educated in England, for he spoke the most English English I ever heard spoken. Then there was a Frenchman along, who spoke English about as well as he did Chinese, and an Englishman. McLeavy Brown, an all-around good fel The colonel glared savagely at his low. It was something to remember, I tell This angered the smart clerk.

"Ladies present. Hats off, I say, colin its honor and listened to the brilliant speeches of our most roted more state.

Admiral Dickins, who is a most interstung his pride had he possessed any.

European station, and once, on a long

"The Barbarous Moor," as a guest on his a big canvas bag, over which the consul's The girl arose from her chair, and tak- wife shed real tears of sorrow, and taken

qualtion, for, recognizing him at once as a friend in whom he could repose trust and confidence, the Barbarous Moor com-fortably established himself in the admiral's quarters-the best was none too good for this aristocrat-and he appropriated to his use whatever took his fancy, even napping on the admiral's established between the commander of pleasant seances together, and it was the those bad Garfield boys' and their doings Barbarous Moor who awoke the admiral his toilet, talking pleasantly to entertain

One day, in the midst of a furious storm, the admiral, hearing the cry of "Man overboard," rushed on deck, t that the Barbarous Moor had been wash ed into the raging sea, "Man the lifeboat," he ordered; and willingly and expeditiously a boat was manned and launched. But the waves were too high, the men in the boat could not look over the top of them, and so they caught no glimpse of the Barbarous Moor; but the the admiral, standing on deck and peering out over the angry ocean, saw his pet riding on the top of a great created wave. which, when it curled over, carried the Barbarous Moor forever out of sight. Of course, there was much mourning for the loss of the handsome creature, who was a favorite both in the cabin and steerage, and the admiral says that a cross was floated out to mark the place where he was last seen. This statement, too, must be accepted without question, for, as noted above, the word of an admiral is not to be doubted with impunity.

Because of the abuse of the invitations who are asked, the edict went forth several seasons back that no one should be admitted to the President's house at these functions, save those who presented their cards, and that this rule is faithfully kept a naval officer of high rank and an especial friend of the President

with a request for his card. "Left it at home," replied the officer la-

"I am glad to hear," said a venerable "Sorry, sir," said the doorkeeper, "but you can't go in here without a card." "I don't want to go in," town, "that Wu Ting-fang is coming back Capt. Blank, "I only came because I only a scholar and a statesman, but a come," and with this announcement he

"Just a minute, sir, just, a minute," called out the Cerebus, in a conciliatory my first encounter with the Chinese, in his hand. "Capt. Blank, did you say your name was, sir? Capt. Blank?" and cial embassy from the land of far Cathay, his finger ran down the column. "Yes,
